Dear Mr. Maher:

It is my great pleasure to formally recommend Dennis Cone for the PCA-WGA Caddie Hall of Fame on behalf of the 27,000 men and women that comprise The PGA of America.

Dennis' tireless efforts to support the art of caddying and the golf industry have made him a true and loyal ambassador for the game. His passion and love for golf has enabled the Professional Caddies Association to educate and train nearly 12,000 caddies and members at more than 50 top golf facilities across the globe.

The highly positive character traits, dedication to hard work and commitment and devotion to the game of golf that are instilled in these caddies, often at a very young age, are done thanks to the outstanding work of Dennis and the PCA.

In 1998, Dennis and Laura Cone founded the World Caddie Hall of Fame to honor a profession that is a part of golf lore. The relationship of the caddie and golfer is a legendary one that has inspired some of the greatest films, books, television features and newspaper stories on a special bond that transcends the history of the game.

For his efforts that go beyond far beyond the fairways, bunkers and greens, The PGA of America is delighted to endorse Dennis Cone for the PCA-WGA Caddie Hall of Fame as a very deserving inductee.

With great respect,

Joseph P. Steranka
Chief Executive Officer
The PGA of America
